A copy of dog's rabies vaccination must be provided prior to arrival

We hope all dogs visiting Pinegrove Ranch enjoy their stay as much as their owners do! We have a few tips and suggestions to help all of us enjoy the facility here at the ranch.

- ❖ **Nightly charge per dog is \$25.00**
- ❖ **Dogs must be leashed at all times during their stay.**
- ❖ **Owners must carry plastic bags to clean up after their dogs.**
- ❖ **Please keep lobby and hallway use to a minimum, understand that some guests have dog allergies.**
- ❖ **Dogs are not permitted in food service areas or at stables.**
- ❖ **Dogs should not be left unattended in guest rooms for an extended period of time.**
- ❖ **If your dog has an accident in your room please contact the Front Desk. There will be a nominal shampoo charge. Any room damage cost will be the guest's responsibility.**
- ❖

A great location to walk your dog that is quiet and relaxing would be to the right of the Archery Range (old softball field). Another great spot would be out by the Rockwall and Softball Field.

Please contact the Ranch for further information

I _____ agree to these polices and understand that if the policies are not followed I may be asked to check out early with no refund.
